**LOCATION:** The resort is ideally situated along the famed Los Cabos Corridor, between the historic city of San Jose del Cabo and the modern city of Cabo San Lucas, on the sparkling Sea of Cortés at the southern tip of Baja California Sur. It is approximately 25 minutes from the Los Cabos International Airport.

**DESCRIPTION:** Featuring dramatic, modern Mediterranean architecture, the Hilton Los Cabos Beach & Golf Resort features 375 spacious ocean view guest rooms including 66 suites, more than 11,300 square feet of meeting and banquet space, a 7,000 square-foot full-service spa and fitness center, five dining venues, world-class golf courses, and a stunning infinity pool.

**GUEST ROOMS:** Each of the hotel's 375 guest rooms has a private balcony with breathtaking views of the Sea of Cortés. The generously sized marble-tiled bathrooms feature oversized tubs and showers, hairdryers and vanity mirrors. All rooms also have the high-tech amenities for business travelers: high-speed wireless Internet access, three telephones, including two direct lines, personal voicemail, and state of the art safety deposit boxes large enough for one laptop computer and other valuables. Individual-controlled air conditioning and ceiling fans allow guests to adjust the temperature to suit their needs.

VIP guests can reserve the 4,460 square foot *Presidential Suite* offering views from the fifth floor, a very large bedroom with one king-size bed, dressing room and bathroom, and two Jacuzzis, plus a second bedroom with two queen-size beds and a full bathroom. An oversized living room with half bath, a dining room and kitchen are all graced with luxurious furnishings. The Presidential Suite also has its own private, oceanfront terrace for social events.

The *El Dorado* and *Cabo Real Suites* – each 1,247 square feet with private terrace – are set on the top level and boast outstanding

oceanfront views. Both include one large main bedroom with king-size bed, dressing area and bathroom, living room, half bath and spacious terrace. The suites have an optional connecting room with two queen-size beds. 28 *Premier Suites*, 17 *Superior Oceanfront Junior Suites*, and 18 *Junior Suites* complete the collection of rooms ideal for families or business entertaining.

**AMENITIES:** All that discriminating guests expect in luxury hotels can be found at the Hilton Los Cabos Beach & Golf Resort including: advanced in-room technology including wireless Internet access, minibar, coffee maker, concierge service, two lighted tennis courts, Kid's Club, 24-hour room service, a full-service spa and fitness center, a heated outdoor pool and whirlpool spa, a retail shop, world-class cuisine, business center, golf and other outdoor activities.

**DINING:** *Fenicia*, the resort's signature restaurant, is named for the city of Phoenicia whose historic cuisine was noted for an innovative and eclectic blend of Mediterranean ingredients and traditions. Diners are invited to relax in a comfortably elegant setting and sample items inspired by the flavors of Italy, France, Greece, Turkey, Spain and Morocco. Fresh seafood and produce, prime meats and poultry, and an extensive selection of world-class wines further highlight the menu.

For casual, all-day dining guests can enjoy the Mexican and American fare offered at *El Meson*. The spacious interior is climate controlled and the fountain-bordered outdoor terrace offers spectacular views of the resort's infinity pool and Sea of Cortés. La Vista lobby bar offers a selection of appetizers, cocktails & wine, hand-rolled cigars and live music nightly. *Madero Bar & Grill* located in the main pool area invites casual diners to enjoy one of the chef's famous tacos stuffed with deliciously marinated beef, seafood or poultry, while *La Barca* a swim-up sushi bar is great for guests craving a deliciously fresh specialty roll.

**SPA OASIS:** The newly renovated 7,000 square-foot haven includes 13 treatment rooms and two VIP couples suites with spacious bathtubs for two. Treatments for the mind, body and soul at Spa Oasis range from a selection of Massage Oasis Therapies including traditional Swedish and Deep Tissue as well as unique wellness treatments. Rituals for the face and the soul include a Caviar and Pearl Impact Eye treatment and the LaStone Volcano Facial. Salon services including hair cut and styling, manicures, pedicures and waxing complete the pampering experience. Immediately adjacent to the spa, the expansive fitness center features advanced upper and lower body workout equipment, free weights and the latest cardiovascular machines.

**MEETINGS &**

**BANQUETS:** Demanding business travelers and meeting planners will be impressed by the 11,300 square feet of meeting and event space, as well as the beautiful outdoor function spaces designed to take advantage of the seaside location. The two ballrooms, the El Dorado and the Las Montañas Junior Ballroom, can accommodate groups of up to 750. Meeting and convention guests will appreciate the dedicated check-in area near the main lobby and the resort's seasoned event planning staff and state of the art audio-visual equipment and services.

**GOLF:** Three of Los Cabos' most highly rated courses – *the Palmilla Golf Course and Cabo Del Sol*, a Jack Nicklaus designed masterpiece featuring challenging desert and oceanfront holes, *the CABO REAL Golf Course*, designed by the celebrated Robert Trent Jones and Cabo Del Sol, a world-renowned Jack Nicklaus signature design course –are accessible to resort guests.

**RECREATION:** On property, guests can enjoy tennis, water sport activities through the Hilton Los Cabos Beach Club, and the Spa Oasis and Fitness Center. For a taste of local culture and adventure, the towns of San Jose del Cabo and Cabo San Lucas offer exciting shopping and nightlife, while the Sea of Cortés provides some of the world's best sport fishing and diving.

**CLIMATE:** Los Cabos enjoys a subtropical climate with 350 days of sunshine, low humidity, cool evenings and refreshing sea breezes. Weather is typically sunny and mild year round with summer days climbing into the 90s and winter and spring averages in the 70s. Rain typically occurs during the months of August through early October.
