**THE HILTON LOS CABOS OFFERS NEW PURE BLISS SPA  
PACKAGE INFUSING MEDITERRANEAN TRADITION WITH MEXICAN  
HOSPITALITY**

Los Cabos, Mexico (March 5, 2008) – The Hilton Los Cabos Beach & Golf Resort invites discerning spa lovers to relax, unwind and enjoy a truly indulgent wellness experience with the new Pure Bliss Spa package.

Available now through December 20, 2008 the Pure Bliss Spa Package offers guests a four-day spa vacation inclusive of pampering and relaxation at the Hilton Los Cabos' newly renovated Spa Oasis. The Pure Bliss Spa Package showcases the healing powers of the Balsamic Total Wellness concept. Based on the old world tradition of aromatherapy this aromatic ritual combines the fragrance of fresh grapes, blueberries and balsamic vinegar to deliver antioxidants that heal the skin and purify the body, mind and spirit.

The Balsamic Total Wellness experience begins with your choice of a gentle Swedish or revitalizing deep tissue massage to promote stress relief and muscle renewal and continues with an invigorating Vinotherapy body treatment. This unique therapy, created in France over a decade ago, has made its way across the Atlantic Ocean to become one of the leading spa trends in North America. The concentration of European grapes, blueberries and balsamic vinegar detoxify and rejuvenate the body. As the body regenerates and takes in this Mediterranean marinade, guests will enjoy a hydrating express facial. The day of pampering concludes by relaxing on the beach in a private palapa or alongside the Hilton's dramatic infinity pool, where guests will enjoy complimentary amenities including refreshing bottles of water and a fresh fruit basket.
