Connect

Look no further to experience the enrichment of senses and quickening of spirit that is the inspirationally conceived Hilton Los Cabos Beach & Golf Resort. This striking jewel, with one of the region's only swimmable beaches, is exquisitely set beside the magnificent Sea of Cortez, between colonial San Jose del Cabo and picturesque Cabo San Lucas at the tip of Baja California.

Rest

To the accompaniment of fragrant aromas, caressing breezes and peaceful surf harmonics, ocean-view balconies open your senses to breathtaking outdoor scenery. Luxuriate in tastefully appointed and comfortable accommodations, replete with amenities and textures designed for relaxation, companionship and blissful privacy.

Dine

Every restaurant and bar boasts impressive ocean views to radiant days and starlit evenings, with delightful food and beverage selections presented in gracious comfort and ambience. Experience it all from casual to elegant, sun-bathed to air-cooled, familiar to exotic.

Unwind

Rejuvenate the body and recharge the psyche at the Spa Oasis, a trendsetting retreat with 13 luxurious treatment rooms and more than 7,500 square feet of dedicated space. Choose from a complete range of treatments, services, products and seasoned professionals whose energies focus on uncompromised restoration and relaxation.

Play

Our unsurpassed shoreline is more than just complemented by a plethora of diversions and attractions a mere stroll from anywhere on the property. Conditioning enthusiasts can enjoy a swim or walk on the beach, sunrise beach yoga, tennis and other invigorating fitness options.

Golf

Los Cabos has been declared “...absolutely the number-one golf destination I know of, period” by the great Jack Nicklaus. With more new golf courses coming, the destination already enjoys some of the best in the world.

Cabo

It's hard to imagine any place on earth with the breadth and variety of sights, attractions, diversions, shops, recreation and relaxation of Los Cabos. From natural wonders to the endless activities you may experience between, along and upon the Pacific Ocean and Sea of Cortez, Cabo has it all.
